About Me

Visual storyteller with 8+ years of experience across photography, videography and post-production. Skilled in creating polished visual content for brands, hospitality and creative projects, with hands-on experience operating professional cameras, drones and gimbals. I work confidently across the full production workflow — from pre-production and shooting to editing and final delivery — with a strong focus on detail, color and emotion.

Thank You

Thank you for taking the time to review my portfolio.
I'm excited about the opportunity to bring stories to
life through visuals and collaborate on impactful creative work.

Looking forward to hearing from you.

Warm regards,
Tanmoy Nath
